

Rich's Ice Cream Catering began as Tasty Time Ice Cream in the mid 90's by the Johnson Family in Folsom, CA. The business grew into retail stores and ice cream catering. With the retail stores sold in 2006, Rich's Ice Cream Catering continued as the catering operation. The business has won numerous "Best of the Best" awards, voted Small Business of the Year by the Folsom Chamber of Commerce, and has grown into a catering and event operation that serves over 300 events each year.
